In the event of termination of the Agreement for nonappropriation/insufficient appropriation, the County shall pay the Contractor for all satisfactory work completed or services performed, if any, up to and including the date of termination; or (b) Continue the Agreement by written amendment providing for a reduction in either the term of the Agreement, the Scope of Services to be provided or the compensation to be paid to the Contractor pursuant to this Agreement, or any combination thereof in a manner consistent with the nature, amount and circumstances of the County's loss of State, Federal, and/or Local funding; provided, however, that any termination or reduction of the term, compensation or Scope Of Services under this Agreement shall be without prejudice to any obligations or liabilities of either party incurred prior to such termination or reduction of the term, Scope of Services or compensation under this Agreement.

immediately terminate the Agreement upon notice to the Contractor for any reason set forth in the Paragraph entitled "Default" in the "Incorporated Standard County Terms and Conditions" described herein. - C. Contractor's Actions Subsequent to Termination: Upon receipt of a Notice of Termination or upon giving a Notice of Termination, and, except as otherwise directed by the County, the Contractor shall take the following actions: (1) Stop work under this Agreement on the date of and to the extent specified in the Notice of Termination; (2) Place no further orders, contracts, or subgrants for materials, services, or facilities except as may be necessary for completion of such portion of the Scope of Services under this Agreement as is not terminated; (3) Terminate all orders, contracts, and subgrants to the extent that they relate to the performance of work or services terminated by the Notice of Termination; (4) Assign to the County in the manner, at the time, and to the extent directed by the County all of the rights and interest of the Contractor under the orders, contracts or subgrants so terminated, and at the discretion of the County, settle or pay any or all claims arising out of the termination of such orders, contracts or subgrants; (5) Settle all outstanding liabilities and claims arising out of such termination of orders, contracts, and subgrants, with the approval or ratification of the County, to the extent that the County may require. Such approval or ratification shall be final for all the purposes of this clause. Notwithstanding the above, the Contractor shall not be relieved of liability to the County for damages sustained by the County by virtue of, or in any manner or degree of, the performance of Contractor hereunder; (6) Arrange for the transfer and delivery of all data in accordance with Incorporated Standard County Terms and Conditions described herein; and (7) Take all other reasonable and necessary actions to wind up the administration of this Agreement in an orderly manner.
